

## Calendar of Events – Autumn 2013

### September

**September 14 • 9:00am - 12:00pm**  
**Calumet Volunteer Enrichment Series:**  
**How to Use a Dichotomous Key**  
**Cressmoor Prairie Nature Preserve**  
**Hobart, Indiana**

Want to really learn plants? Learn how to use a plant key! In this class, we will cover the basic botany terms and characters and practice keying out plants in the field. **Location & Directions:** Cressmoor Prairie Nature Preserve, Hobart, IN. From I-94, take I-65 south to Ridge Road / E. 37th Ave. Follow E. 37th Ave. for about 2.5 miles until you reach Lake Park Ave. Turn right (south) on Lake Park Ave. and look for the parking lot on the right (west) side of the road, about 1/2 mile south of E. 37th Avenue. This is a free event. The registration deadline for this event is Saturday, September 14, 2013. For more information, please contact Becky Collings of the Field Museum at (312) 665-7420 or via email at [rcollings@fieldmuseum.org](mailto:rcollings@fieldmuseum.org).

**Environment, Culture, & Conservation (ECCo) at the Field Museum**

**September 14 • 9:00am - 1:00pm**  
**2<sup>nd</sup> Saturday Sessions: Hydrology of Wolf Lake Along the State Line and the Defense Logistics**  
**William Powers Conservation Area**  
**126th Place & Avenue O**  
**Chicago, Illinois**

Management representatives from the Defense Logistics Center will explain their efforts to keep runoff from entering the Wolf Lake watershed. Discussion will focus on the hydrology along the Illinois/Indiana state line and various ways to protect habitat in this area of the watershed. A bike ride along the state line trail will take place after the meeting concludes. For more information please contact AWLI at

(312) 220-0120 or (219) 933-7149 or you can also send an email to Michael Boos at [AWLI@sbcglobal.net](mailto:AWLI@sbcglobal.net). You can also check out the Association for the Wolf Lake Initiative (AWLI) website by visiting [www.wolflakeinitiative.org](http://www.wolflakeinitiative.org) to learn more about our upcoming events and outdoor activities.

**Association for the Wolf Lake Initiative**

**September 14 • 9:00am - 12:00pm**  
**Dan Ryan Woods Stewardship Day**  
**2198 West 87th Street**  
**Chicago, Illinois**

We hope you will join us to help remove invasive species that threaten to crowd out native plants and the wildlife that need them to thrive. Trained leaders show you how to identify plants that don't belong and demonstrate how to safely use hand tools to remove them. All the necessary tools and work gloves are provided. Depending on the season, workdays may also include native seed collection for dispersal in areas cleared of invasive species or nature walks to enjoy the preserve. All participants should be dressed for a day of outdoor work. Please wear covered shoes (hiking boots or tennis shoes) and long pants. Clothing should be made of natural fibers such as cotton or wool (no synthetic clothing) as workdays often have brushpile burns and stray embers can "burn" clothing. Please bring your own drinking water. Depending on the season, sun screen or insect repellent maybe good items to bring to a workday. To learn more or to RSVP (not required) contact Benjamin Cox at (773) 398-1178 or [benjamin@fotfp.org](mailto:benjamin@fotfp.org).

**Friends of the Forest Preserves**

**September 14 • 10:00am - 1:00pm**  
**Eggers Woods Stewardship Day**  
**Eggers Woods, 11200 South Avenue B**  
**Chicago, Illinois**

We hope you will be able to join us to help remove invasive species at the Eggers Woods Forest Preserve. Trained leaders show you how to identify plants that don't belong and demonstrate how to safely use hand tools to remove them. All the necessary tools and work gloves are provided. Depending on the season, workdays may also include hand pulling of invasive plants such as garlic mustard, native seed collection for dispersal in areas cleared of invasive species or nature

walks to enjoy the preserve. All event participants should be dressed for a day outdoor work. Please wear covered shoes (hiking boots or tennis shoes) and long pants. Clothing should be made of natural fibers such as cotton or wool (no synthetic clothing) as workdays often have brush pile burns and stray embers can "burn" clothing. Please wear comfortable clothes that can get dirty. Please bring your own drinking water. Depending on the season, sun screen or insect repellent maybe good items to bring to a workday. For more information or to RSVP please contact John Pastirik of the Calumet Ecological Park Association at (773)-991-0613.

**Calumet Ecological Park Association**

**September 21 • 9:00am - 12:00pm**  
**Powderhorn Lake Stewardship Day**  
**13817 S. Brainerd Avenue**  
**Chicago, Illinois**

We hope you will join us to help restore this unique dune and swale site back to health! Trained leaders show you how to identify plants that don't belong and demonstrate how to safely use hand tools to remove them. All the necessary tools and work gloves are provided. Depending on the season, workdays may also include native seed collection for dispersal in areas cleared of invasive species, hand pulling invasive grasses and flowers, or nature walks to enjoy the preserve. All participants should be dressed for a day of outdoor work. Please wear covered shoes (hiking boots or tennis shoes) and long pants. Clothing should be made of natural fibers such as cotton or wool (no synthetic clothing) as workdays often have brushpile burns and stray embers can "burn" clothing. Please wear comfortable clothes that can get dirty. Please bring your own drinking water. Depending on the season, sun screen or insect repellent maybe good items to bring to a workday. To learn more or to RSVP (not required) contact Alice Brandon at (312) 356-9990 or via email at [alice@fotfp.org](mailto:alice@fotfp.org).

**Friends of the Forest Preserves**

**September 21 • 9:00am - 12:00pm**  
**Calumet Outdoor Series - Marquette Park**  
**Marquette Park Pavillion**  
**1 North Grand Boulevard**  
**Gary, Indiana**

This 241-acre Marquette Park in Gary, Indiana offers 1.4 miles of Lake Michigan beaches, inland ponds, tall dunes, wetlands, a freshwater lagoon, indigenous oak savanna, and two historic Prairie School structures — the stately Marquette Park Recreation Pavillion built in 1924 and the Gary Bathing Beach Pavillion "Aquatorium" built in 1922. An inviting beachfront playground lies just east of the Gary Aquatorium. We will meet at the Marquette Park Pavillion, near the main entrance to the park. For more information please visit us at the Indiana Dunes National Lakeshore web site [www.indianadunes.com/explore-the-area/indiana-dunes/details/?list...](http://www.indianadunes.com/explore-the-area/indiana-dunes/details/?list...) To sign up for the event, please contact Joel Baldin of the Hitchcock Design Group by email at [jbaldin@hitchcockdesigngroup.com](mailto:jbaldin@hitchcockdesigngroup.com).

**Hitchcock Design**

**September 21 • 9:00am - 1:00pm**  
**Coastal Clean-up Day**  
**Indiana Dunes National Lakeshore**  
**Dorothy Buell Memorial Visitor Center**  
**1215 N. State Road 49, Porter, Indiana**

Join the Indiana Dunes National Lakeshore staff and volunteers to help clean a portion of our Lake Michigan shoreline. Work gloves and trash bags will be provided. Dress for the weather and bring bug repellent. This is a free event. For more information about the event, contact Ryan Koepke at (219) 395-1882 or via email at [ryan\\_koepke@nps.gov](mailto:ryan_koepke@nps.gov). You can also see what else is going on at the park by visiting the Indiana Dunes National Lakeshore at <http://www.nps.gov/indu/planyourvisit/events.htm>.

**Indiana Dunes National Lakeshore**

**September 28 • 9:00am - 1:00pm**  
**Indiana Dunes Stewardship and**  
**Volunteer Days: Public Lands Day**  
**Bailly Homestead/Chellberg Farm**  
**Mineral Springs Road, US 20 & US 12**  
**Porter, Indiana**

In honor of Public Lands Day, help remove invasive plant species that are attacking the freshwater wetlands along the shores of the Indiana Dunes National Lakeshore. Lend a hand to help improve "Your Neighborhood National Park" during this volunteer opportunity at the Indiana Dunes National Lakeshore. Work gloves will be provided. Dress for the weather and bring bug repellent. This is a free event. For more information, contact Ted Winterfeld at (219) 395-1661 or by email at [ted\\_winterfeld@nps.gov](mailto:ted_winterfeld@nps.gov); or call Ryan Koepke at (219) 395-1882 or via email at [ryan\\_koepke@nps.gov](mailto:ryan_koepke@nps.gov). You can also see what else is going on at the park by visiting the Indiana Dunes National Lakeshore at <http://www.nps.gov/indu/planyourvisit/events.htm>.

**Indiana Dunes National Lakeshore**

**September 28 • 9:00am - 4:00pm**  
**10<sup>th</sup> Annual Active Living Faire**  
**William Powers State Fish/Wildlife Area**  
**12949 South Avenue O, Chicago, Illinois**  
**Environmental Education Center**  
**2405 Calumet Avenue,**  
**Hammond, Indiana**

The 10th Annual Active Living Faire is free and open to the public with events for the entire family. This year's festivities include birding/nature walks, a farmers market, the Bi-State Wolf 8 Health Walk-a-Thon, health screenings, healthy living and healthy nutrition presentations, exercises, a bike tour of Wolf Lake, and student poster contest winners. To learn more about the faire, please contact AWLI at (312) 220-0120 or (219) 933-7149. You can also contact AWLI via email at [AWLI@sbcglobal.net](mailto:AWLI@sbcglobal.net). Sponsored by the Association for the Wolf Lake Initiative (AWLI) in collaboration with Illinois Department of Natural Resources, and the Lake County Solid Waste Management District, et al.

**Association for the Wolf Lake Initiative**

**September 28 • 10:00am - 1:00pm**  
**Kickapoo Prairie Stewardship Day**  
**Kickapoo Meadows Forest Preserve**  
**14383 South Halsted Street**  
**Riverdale, Illinois**

We hope you will join us to help remove invasive species that threaten to crowd out native plants and the wildlife that need this beautiful prairie to thrive. Trained leaders show you how to identify plants that don't belong and demonstrate how to safely use hand tools to remove them. All the necessary tools and work gloves are provided. Depending on the season, workdays may also include native seed collection for dispersal in areas cleared of invasive species or nature walks to enjoy the preserve. All participants should be dressed for a day of outdoor work. Please wear covered shoes (hiking boots or tennis

shoes) and long pants. Clothing should be made of natural fibers such as cotton or wool (no synthetic clothing) as workdays can often have brush pile burns and stray embers can "burn" clothing. Please wear comfortable clothes that can get dirty. Please bring your own drinking water. Depending on the season, sun screen or insect repellent maybe good items to bring to a workday. For more information or to RSVP (not required), please contact the Kickapoo Meadows Forest Preserve site steward, Larry Unruh at [luruh@att.net](mailto:luruh@att.net) or call (708) 752-2623.

**Friends of the Forest Preserves**

**September 28 • 2:00pm - 5:00pm**  
**Stewardship on the Burnham Greenway**  
**Burnham Greenway - Beans Park**  
**107<sup>th</sup> Street and Avenue D,**  
**Chicago, Illinois**

What a great way to spend a pleasant Fall afternoon volunteering to pull up weeds, mulch trees and do a general clean up along the Burnham Greenway and the John "Beans" Beniac Greenway Park. Students from the University of Chicago's "Engage Chicago Through Service" program have also volunteered for this task. Event participants will meet up with CEPA's John Pastirik at the Beans Greenway Park located at 107th Street and Avenue "D" on Chicago's far southeast side. For more information, call John Pastirik at (773) 991-0613 or Judy Lihota at (773) 646-4773. For more information about some of the upcoming events being sponsored by the Calumet Ecological Park Association (CEPA), please visit our web site at <http://lincolnnet.net/cepa/home.shtml>.

**Calumet Ecological Park Association**

**Beaubien Woods Volunteer Day**  
**Beaubien Woods Forest Preserve**  
**13400 South Doty Avenue**  
**Chicago, Illinois**

We invite you to join us as we work to improve and take care of this prairie and woodland. Trained leaders show you how to identify plants that don't belong and

demonstrate how to safely use hand tools to remove them. All the necessary tools and work gloves are provided. Depending on the season, workdays may also include native seed collection for dispersal in areas cleared of invasive species or nature walks to enjoy the preserve. Dress appropriately for the weather and bring a water bottle. Volunteers will meet up at the forest preserve's only picnic shelter which is adjacent to Flatfoot Lake. For more information about the volunteer day or to RSVP, please contact Laura Milkert by email at [lmilkert@fieldmuseum.org](mailto:lmilkert@fieldmuseum.org) or by phone at (312) 665-7444.

**Environment, Culture, & Conservation (ECCo) at the Field Museum**

**October 12 • 7:00am - 9:00am  
Calumet Outdoor Series: Discover the Little Calumet River  
Calumet Woods Forest Preserve  
13600 South Ashland Avenue  
Riverdale, Illinois**

Come and explore Chicago's expansive Southland via the Little Calumet River. We will meet at 8:00am at the Calumet Woods Forest Preserve Boat Ramp in the town of Riverdale and learn about the natural and cultural history of the Southland along the Little Calumet River. Boat rentals are available. Event participants should RSVP in advance. For more information about the event, please contact us at Openlands at [info@openlands.org](mailto:info@openlands.org) or give us a call at (312) 863-6250. You can also visit our web site at <http://www.openlands.org/>.

**Openlands**

**October 12 • 8:00am - 12:00pm  
Calumet Outdoor Series: Jackson Park  
Birding with Ernesto Ruelas Nzunza  
Jackson Park Wooded Island South  
6301 South Cornell at Hayes Drive  
Chicago, Illinois**

Come learn more about local birds with Ernesto Ruelas Inzunza from Chicago's Field Museum of Natural History! We will meet at the Wooded Island South parking lot in Jackson Park. From downtown Chicago, take Lakeshore Drive south to Hayes Drive, just past the Museum of Science and Industry. Turn right on Hayes Drive and the parking lot will be on your right, just before Cornell Drive. For more information about this free birding event, please contact Ernesto Ruelas Inzunza at The Field Museum of Natural History via email at [eruelas@fieldmuseum.org](mailto:eruelas@fieldmuseum.org) or by phone at (312) 665-7463.

**Environment, Culture, & Conservation (ECCo) at the Field Museum**

**October 12 • 9:00am - 12:00pm  
Dan Ryan Woods Stewardship Day  
2198 West 87th Street  
Chicago, Illinois**

We hope you will join us to help remove invasive species that threaten to crowd out native plants and the wildlife that need them to thrive. Trained leaders show you how to identify plants that don't belong and demonstrate how to safely use hand tools to remove them. All the necessary tools and work gloves are provided. Depending on the season, workdays may also include native seed collection for dispersal in areas cleared of invasive species or nature walks to enjoy the preserve. All participants should be dressed for a day of outdoor work. Please wear covered shoes (hiking boots or tennis shoes) and long pants. Clothing should be made of natural fibers such as cotton or wool (no synthetic clothing) as workdays often have brushpile burns and stray embers can "burn" clothing. Please wear comfortable clothes that can get dirty. Please bring your own drinking water. Depending on the season, sun screen or insect repellent maybe good items to bring to a workday. **Friends of the Forest Preserves**

**October 12 • 9:00am - 12:00pm  
Dunes Stewardship & Volunteer Days: Harvesting the Prairie  
Indiana Dunes National Lakeshore  
Mnoke Prairie on Howe Road  
Porter, Indiana**

Join an Indiana Dunes park ranger and help volunteers collect seeds from this rare tall grass prairie that will be used to restore additional native prairie lands throughout the Indiana Dune National Lakeshore. This is a free outdoor event.

For information, please contact Ted Winter-fled at (219) 395-1661 or via email at [ted.winterfeld@nps.gov](mailto:ted.winterfeld@nps.gov); or call Ryan Koepke at (219) 395-1882 or via email at [ryan.koepke@nps.gov](mailto:ryan.koepke@nps.gov). You can also visit the stewardship/volunteer days web site [www.duneland.com/calendar/2013/october/stewardship-days-monoke-prairie/6676/](http://www.duneland.com/calendar/2013/october/stewardship-days-monoke-prairie/6676/).

**Indiana Dunes National Lakeshore**

**October 12 • 9:00am - 3:00pm  
Education Workshops - Growing Up WILD:  
Exploring Douglas Center's Nature Play Zone  
IN Dunes National Lakeshore  
Douglas Center  
100 N. Lake Street, Gary, Indiana**

Playing in nature will be the theme of this workshop featuring the Indiana Dunes National Lakeshore's new Nature Play Zone. This workshop explores strategies for building on children's sense of wonder about nature. Participants will practice activities for pre-school and early elementary education using the *Growing Up WILD* activity guide and additional take home resources. This is a free event. For more information about these and other workshops, please contact either Erin Crofton at the Dunes Learning Center at (219) 395-9555 or via email at [ecrofton@duneslearningcenter.org](mailto:ecrofton@duneslearningcenter.org) or contact Kim Swift of the Indiana Dunes National Lakeshore at (219) 395-1812. The event registration web site can be accessed at <http://www.duneslearningcenter.org>.

**Indiana Dunes National Lakeshore**

**October 12 • 10:00am - 1:00pm  
Eggers Woods Stewardship Day  
Eggers Woods Forest Preserve  
11200 South Avenue B  
Chicago, Illinois**

We hope you will be able to join us to help remove invasive species at the Eggers Woods Forest Preserve. Trained leaders show you how to identify plants that don't belong and demonstrate how to safely use hand tools to remove them. All the necessary tools and work gloves are provided. Depending on the season, workdays may also include hand pulling of invasive plants such as garlic mustard, native seed collection for dispersal in areas cleared of invasive species or nature walks to enjoy the preserve. All event participants should be dressed for a day outdoor work. Please wear covered shoes (hiking boots or tennis shoes) and long pants. Clothing should be made of natural fibers such as cotton or wool (no synthetic clothing) as workdays often have brush pile burns and stray embers can "burn" clothing. Please wear comfortable clothes that can get dirty. Please bring your own drinking water. Depending on the season, sun screen or insect repellent maybe good

items to bring to a workday. For more information or to RSVP please contact John Pastirik of the Calumet Ecological Park Association at (773)-991-0613.

#### Calumet Ecological Park Association

**October 19 • 8:00am - 4:30pm**  
**Century of Progress Homes Tour**  
**Indiana Dunes National Lakeshore**  
**Dorothy Buell Memorial Visitor Center**  
**1215 North Stare Route 49**  
**Porter, Indiana**

Join a Park Service ranger at the Indiana Dunes Visitor Center for a guided tour of four historic homes from the 1933 Chicago World's Fair. These LIMITED TOURS ARE AVAILABLE BY RESERVATION ONLY. Each tour lasts two hours and includes an inside look at the Cypress Log Cabin, Florida Tropical, Armco Ferro, and the Wieboldt-Rostone houses. The original 1933 "Century of Progress" houses featured innovative building materials, modern home appliances, and new construction techniques for their time. The houses were moved to northwest Indiana in 1935 to promote a new housing community and were included in the national lakeshore boundary in the early 1970's. Today, the homes are undergoing rehabilitation with private funds through a partnership with Indiana Landmarks and private citizens. The cost of the tour is \$20 per person. For more information about these and other workshops, call Ryan Koepke at (219) 395-1882 or send him an email at [ryan\\_koepke@nps.gov](mailto:ryan_koepke@nps.gov).

#### Indiana Dunes National Lakeshore

**October 19 • 9:00am - 12:00pm**  
**Powderhorn Lake Stewardship Day**  
**13817 S. Brainard Avenue**  
**Chicago, Illinois**

We hope you will join us to help restore this unique dune and swale site back to health! Trained leaders show you how to identify plants that don't belong and demonstrate how to safely use hand tools to remove them. All the necessary tools and work gloves are provided. Depending on the season, workdays may also include native seed collection for dispersal in areas cleared of invasive species, hand pulling invasive grasses and flowers, or nature walks to enjoy the preserve. All

participants should be dressed for a day of outdoor work. Please wear covered shoes (hiking boots or tennis shoes) and long pants. Clothing should be made of natural fibers such as cotton or wool (no synthetic clothing) as workdays often have brushpile burns and stray embers can "burn" clothing. Please wear comfortable clothes that can get dirty. Please bring your own drinking water. Depending on the season, sun screen or insect repellent maybe good items to bring to a workday. #### Friends of the Forest Preserves

**October 19 • 9:00am - 12:00pm**  
**Calumet Outdoor Series: Hegewisch Marsh Tour with Jason Steger**  
**Hegewisch Marsh**  
**12350 South Torrence Avenue**  
**Chicago, Illinois**

Spanning 130 acres, Hegewisch Marsh is the largest wetland in the city of Chicago. Situated amid Chicago's industrial Southeast Side, the marsh is an oasis of trees that hosts numerous species of migratory birds, coyotes, beavers, and muskrats. The surrounding natural area is also currently undergoing an extensive restoration. This trip will be led by Jason Steger from the Chicago Park District. Street parking is available on the east shoulder of Torrence Avenue. This is a free event. For more information contact Jason Steger from the City of Chicago Park District at (312) 742-7529. Registration deadline is Saturday, October 19, 2013.

#### Chicago Park District

**October 19 • 9:00am - 4:00pm**  
**8<sup>th</sup> Annual Greening of the Arts Tour**  
**Hammond Environment Education Ctr**  
**2405 Calumet Avenue**  
**Hammond, Indiana**

The Association for the Wolf Lake Initiative (AWLI) will hold its 8th Annual Greening of the Arts Tour from 9:00am until 4:00pm Saturday, October 19, 2013 starting at the Hammond Environmental Education Center, 2405 Calumet Avenue, Hammond, Indiana. Participants will be visiting several art galleries and artist studios scattered across Southeast Chicago and Northwest Indiana. For more event

information please contact AWLI at (312) 220-0120 or (219) 933-7149 or you can send an email to Michael Boos at [AWLI@sbcglobal.net](mailto:AWLI@sbcglobal.net).
